Healthy Living— Join us as we seek to improve our spirit, mind and body in this new year. We will offer three evenings of emphasis on *caring for the temple* with members of our congregation and community introducing us to new possibilities, a different path, or an epiphany.

Bible Study with Pastor Wain is always interesting, challenging and filled with discovery. Come and challenge him to explain the mysteries of faith, the theology of Presbyterian Reformed Tradition or the questions of your heart.

Lenten Study— a four week study during the season of Lent will be led by Pastor Wain following dinner.

Headlines

2016 was certainly a year for strange headlines. Just when we think the world we live in can't get any more disconnected from faith, we read a story of survival, heroism, generosity or miracle. Our fellow travelers give us plenty to be discouraged and confused about. But God is still on the throne as my mama likes to say and His Word is still our guide to a life of meaning and contribution. With Bibles in hand we will seek God's desire through scripture, discussion and discernment. Looking at the news through eyes of faith will encourage each of us toward a more compassionate life of forgiveness, peace and justice. Each week presents a new and challenging discussion opportunity. Gather in the Conference Room of the Compass at 6:15p.m.
