Children in grades K-5 will participate in Mission N Motion, a program developed here at FPC, engaging our children in mission projects both local and global. We are planting seeds of generosity and compassion into the hearts of our children impressing them with the truth that God gives gifts to people of every age and that each one of us, no matter how small, can do important work in the kingdom of God. Diane Watkins, the division chair for Outreach, leads a team of volunteers shepherding the students in this effective mission ministry.

HELP: WANTED, NEEDED & APPRECIATED

Can you set a table? Can you put ice in cups? Can you put food on a plate? Can you chop vegetables or slice meat? Can you put flowers in a vase? Can you put trash in a can? Can you stir a pot? Wipe off a table, put dishes in a dishwasher, wash a pot?

1st Café is run by volunteers, your fellow church members. Can you lend a hand any Wednesday? Everybody can do something! Will you?
